Hi all loyal Peach bunnies!

The amount of spam that slips in articles here is disturbing, and we can't manage all of the articles anymore... the project closed in 2008 anyway! If you like to communicate about this project, please visit the Open Projects forum on <http://www.blender.org/forum/>

Thanks,

JOB APPLICATION LETTER FOR MEDICAL DOCTOR

RENAME

Dear Mr./Ms./Dr. [RECIPIENT NAME],

I am writing this letter to express my interest in applying for a Medical Doctor position at your medical facility. I am currently a medical student at [REDACTED] University and have been working at [REDACTED] Hospital as a medical intern for the past year. I have also volunteered at [REDACTED] Clinic, where I have gained valuable experience in various medical fields.

I believe that through my education and my strong work ethic, I am well-qualified for this position. I am particularly interested in the field of [REDACTED] and would like to specialize in [REDACTED].

Thank you for your consideration and I look forward to speaking with you soon.

Yours,

[REDACTED]
